- Have you suffered losses in a fire accident and found that Fire Extinguishers were not working?
- Are you a member of Fire Fighting Team?
- Or do you supervise a team of fire-fighters?
- Are you responsible for maintaining Fire Extinguishers in your organization?
- Are you one of those busy Admin Managers who is assigned to maintain Fire Extinguishers also?

- Are your Fire Extinguishers maintained properly & timely ?
- Are Fire Extinguishers physically checked?
- Is your Fire Fighting system up to date?
- Has your organization prepared for Fire breakout?
- Is a Fire Risk Assessment conducted by a third party periodically?
- Do you take Fire Safety seriously?

We Do!

TELL ME.. WOULD IT NOT BE GREAT TO

- be reminded of Fire Extinguishers Expiry dates?
- More importantly have an Assistant remind you without asking for a raise?
